

The Federal Communications Commission

Dear The Federal Communications Commission,

I do not want to pay more for my telephone service! I urge you to reject a flat fee proposal that would change how contributions are made to the Universal Service Fund. I am concerned that this proposal could make my current service unaffordable.

I chose pre-paid because of the sporadic need for a cell phone. I use my wireless phone for safety, security and convenience. I accept having to pay about double per minute of use vs a monthly bill, however being saddled with this flat-fee system is unfare.

I urge you to reject the proposal to move the USF collection system to a flat-fee.

Keep the USF Fair!

Sincerely,

Greg Hall
